Saturday 20 June / 4pm
Sunday 21 June / 3.30pm

Named the funniest film of the 20th century by the American Film Institute, *Some Like it Hot* was also directed by German émigré Billy Wilder. When two musicians witness a mob hit they flee, disguised as women and join an all-female band. This manic, magical 1959 farce is more than just a comedy caper featuring one of Marilyn Monroe's finest turns – it's also a topsy-turvy exploration of sexual desire and identity.
