Did you know you can increase your donation to Scottish Refugee Council at no extra cost to you?

Gift Aid is the U.K. Government scheme that adds 25p to every £1 you donate at no extra cost to you, allowing Scottish Refugee Council to do even more to support refugees in Scotland. For example for every £10 you donate, we can claim a further £2.50 from the Inland Revenue.

If you are a U.K. taxpayer, please tick the Gift Aid box and allow us to claim Gift Aid.
